

CRAZY COMPUTER BUILD

What's Crazy is That the First Thing Kids Do Is
Take Computers Apart!

Kids receive a practice computer at the beginning of the course to take apart piece by piece. Kids learn about inputs/outputs, computer logic, software, electronics, operating systems, and computer networking. After completing all coursework students will receive a full computer system with keyboard, monitor and mouse to keep forever.

COURSE FEATURES

- Computer Hardware
- Software
- Digital Citizenship
- Binary Code
- Linux
- Troubleshooting

Ages 10 – 18

GenTech  **TECH SUPPORT**
Preparing today's kids for tomorrow's tech.
